Cost-Effective Replacement Filters for Orion® Vacuum Pumps

Performance Filtration Products manufactures high-quality replacement air intake filters for Orion® vacuum pumps. Our filters are made in the USA and guaranteed form, fit, and function compared to their corresponding OEM filter element.

Our filters are manufactured with top of the line components and filter media. Each filter goes through a quality control inspection to ensure it meets or exceeds the OEM specifications.

Orion® Pump Filter Cross-Reference

Model #:	Orion® #:	OD:	ID:	HT:	Style:
PFP0074AF	04000028010	1.75"	.875"	3.25"	COEB, G
